Web Page:

I was born and raised on O`ahu. Grew up in Wahiawa Heights and Kalihi. Graduate of Kamehameha Schools, the University of Hawaii with a degree in Business Management, and from Central Michigan with a Masters in Public Administration.

I am retired from the Honolulu Police Department and have served as a substitute teacher in the leeward district. As a police officer I was extremely active as a community volunteer and that continued into my retirement. As a result of these community activities received numerous awards. Some of these are Governor's Award as a Volunteer, the Hawaii Lions District 50 Humanitarian Award, the Hawaiian Civic Clubs Helen C. Kane Award, the Association of Hawaiian Civic Clubs Kalaniana'ole Award for Outstanding Hawaiian Civic Club Member for Service to the Community at Large, the Kaulunani Urban Forestry Program Riccio Award of Excellence, the Kapolei Outstanding Achievement Award for Lifetime Service to the Community amongst others.

I belong to numerous community organizations such as the Makakilo/Kapolei Lions Club, the Kapolei Hawaiian Civic Club, the Friends of Honouliuli and others. Presently I am serving on the Makakilo/Kapolei/Honokai Hale Neighborhood Board and the State of Hawaii Environmental Council. Everything that I am involved in is focused on educating our community on the value of making contributions that will make this a better place for future generations.
